

Hold 'em or Fold 'em making a good Go-No-Go Decision

Just like the old Kenny Rogers song goes: "You gotta know when to hold 'em, know when to fold 'em, know when to walk away, know when to run". This event will help us "read the cards" associated with our flight and how to make a good "go-no-go decision."

Directions: The hangar is located just north of the terminal building

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
